

We are encouraging customer orders!

Our aim is to continue to provide a valued service to the community whilst also safeguarding our Customers, our Shop Manager and our Volunteers. Therefore, ***we are encouraging Customers to place orders to reduce the level of contact in The Shop. In addition, another advantage to ordering is that we can include your specific requirements in our orders to Suppliers and we will reserve these items for you (subject to stock availability). Please look at the Table below for details of delivery days and order by days for some of our specific products.***

How to place an order at The Shop

You can either:

- email your order to The Shop at orders@theshopatcrowle.co.uk (see the order form on our website at www.theshopatcrowle.co.uk/, or request a form by emailing us.

or

- if you do not have access to email, phone your order to The Shop on 01905 381416.

Please place orders **before 11am** on the order days shown in the Table below. We will confirm the collection time by phone, and notify you if any items are not available. ***Orders need to be paid for before collection, which we will take by card on the phone.***
